

The Heritage Club is a group of individuals that support Boys & Girls Clubs of Tampa Bay and seek to ensure that the future needs of Club Youth are met by including the organization in their estate plans. These plans might include naming Boys & Girls Club in their personal wills or through a charitable gift annuity, a trust arrangement, a gift of real estate, stock, cash, life insurance policy or portion of a life insurance policy.

When you become a member of the Boys & Girls Clubs of Tampa Bay "Heritage Club", you join a group of individuals dedicated to ensuring Great Futures are possible today and for decades to come.
